WILL FIGHT FRIDAY NIGHT.

Sharkey-Fitzsimmons Mill to Come Off on Date First Set.

BY W. W. NAUGHTON. REPUBLIC SPECIAL

New York, Aug. 19 .- Bob Fitzsimmons and Tom Sharkey will meet in the ring at Coney Island next Friday evening. A few days ago the management of the Seaside Athletic Club announced that the contest would take place on Saturday evening, August 25, but protests against the date last mentioned were numerous enough to warn the promoters that they had selected a night that was unsuitable to the majority of the patrons of pugilism.

Manager O'Rourke to-day conferred with the heavy weights and, it being made clear contest take place Friday evening was general, the change of date was agreed to without a murmur.

To-day was largely a day of rest with the big fellows. Crowds of visitors flocked to the rival camps at Bergen Beach and Sheepshead Bay and the reports brought back indicated that both men, in the opinion of experts, are in the best of shape. Fitzsimmons has recovered entirely from the mauling he received in his go with Ruhlin. The discoloration around the eyes

fit for service again. In his own opinion be is in better trim than he was a week before the Ruhlin fight. "You see the weather was terribly hot then and while I went through my work and made no complaint, I did not feel the way I wanted to at ail," explained Fitz-

horse, sleep like a top and I think I'll be able to step it with Mr. Sharkey in any kind of a pace he may set next Friday right. However, the time is short now and suppose it will be best to let the fight tell

BECHARCA BURKA.

Panville, Ill., Aug. 19.—Spider Kelly and Teddy Sweeney, light weights, fought a five-ounce glove ten-round contest this morning, which was declared a draw by the referee.

Sweeney put Kelley on the ground twice and landed there once himself. The affair was pulled off over the line in Indiana.

THREE RACES REMAIN.

Keen Interest in the Closing Yacht Contests. Newport, R. L. Aug. 19.—Seven of the series of ten races scheduled for the seventy

footers have been sailed, the other three races are set for Manday, Wednesday and Friday of the coming week. The weather indications to-night are favorable and the owners of the four yachts are looking forward to some good sport in to-morrow's race.

Interest in these contests is keener than ever now that the final ones are close at hand. The Mincola and Yankee have each eight points to their credit, the Rainbow four and the Virginia one, each race won counting two points for the winner and if four start the second boat scores one point, if the Rainbow should win the next three races she would have too registered would be too registered. races she would have ten points and would win the \$1.00 unless the Mineola or Yankee came in second twice, which would make the three boats the The Virginia has no the three boats tie. The Virginia has no chance of winning the main cup, but as a cup is offered to the winner of each race, she may win three of them, and by starting each day she will at least give the second boat a chance to score a point.

Trotting Record Broken.

Trofting Record Broken.

Pittsburg, Pa., Aug. 18.—P. C. Knox, a prominent member of the Allegheny County bar, today broke the world's record by personally driving his tratting team, Wert and Ocetor Lee, a mile in 2:19%. The world's professional record was made in 1886 by Geera, driving Justina and Lady Mac a mile in 2:12%. The trial to-day, while not a technical test, was made for the purpose of breaking the record, and was in the presence of forty spectators on the Brunot Island Gentleman's Driving Park mile track. Twenty watches were held on the horses, and the large majority of them recorded 2:10%.

Hills Grove Races.

Frevidence, R. I., Aug. 19.—Two thousand persons witnessed the card of races at Hills Grove track this afternoon. The features were the win of Cadwell in the one-mile handicap, from scratch, and the two-mile tandem handicap, which was won by Cadwell and Turgeon. Nelson easily defeated Burns Pierce by nearly three laps in the one-mile motor-paced race. Nelson rode in 25:48 3-5, lowering the previous record of 37:04%, held by Pierce.

La Plata Fair Opens To-Morrow.

REPUBLIC SPECIAL.

La Plata Mo., Aug. 19.—The thirteenth annual fair at this place commences Tuesday, August 21, and continues four days. More than 115 horses have been entered in the trotting and pacing classes, comprising some of the fastest horses ever before entered in North Missouri. A great number of fast running horses are already on the grounds, and the prospects are that this will be one of the best fairs in Missouri.

Won by Jacquelin.

Paris, Aug. 19.—The final for the title of champion of the world, three turns around the track, was wen by Jacquelin. Time not given.

There were six starters in the final for the 109 kilometers championship, which was won by Huret, Taylore being second. Time not given.

ROLLED OUT OF A WINDOW.

Ernst Veith Fell From Second Story, but Was Not Much Hurt.

Ernst Veith, a man of unusual size, fell from a window of his home in the second story at No. 1711 North Twelfth street, to the pavement below and was only slightly wounded about the scalp. A few hours after his fall Velth had apparently fully recovered. Last night, about 9 o'clock, Velth sat in a window to get cool. The zephyrs were so pleasant that he fell asleep and rolled out of the window. Doctor G. L. Mueller of No. 1310 Clinton street, was called, but all the injury he could find was a slight abrasion on the left side of the head. After resting a bit Veith got up and laughed at his wife's fears that he had been internally injured. been internally injured.

I suppose it will be best to let the fight tell for itself."

Manager O'Rourke is keeping a close eye on Sharkey. It was reported to him a day or two ago that the Sallor went in for more road work and bag-punching than the schedule called for when a strict watch was not kept on him.

O'Rourke had a heart-to-heart talk with Sharkey to-day and impressed upon him that the object of reducing work was to send him into the ring as big and strong as possible. Sharkey, it is said, has grasped the situation thoroughly and will for the balance of his training time live up to the balance of his tra

SHEEP MARKET-Lack of receipts created a featureless day in the sheep house. Values advanced early in the week, but lost all of the gain later on and closed about on a parallel with this time last week. Interior animals were very hard to dispose of at any time.

HORSES-The trade was quiet as is usual on Saturday. Good chunks, drivers and coachers, suitable for the export and Enstern demand, closed firm. Southern horses and medium grades of all other classes were a shade caser during the week.

New York, Aug. 18.—The market for cotton futures opened quiet and arm, with prices 6910 points higher. The early part of the session exhibited marked strongth, following a firmer ruling of the Liverpool market than figured upon, a more builtsh trend of the Chromicle's review than looked for and continued light receipts at interior towns and porte. Rumors that Southern stot markets were once more hardening on increased export demand added to the general steadiness. On the opening rise, wire houses, Europe and the South bought the winter months, room traders having pronts within easy reach soid. As the session progressed, trading dragged somewhat, there being rew new orders in evidence. The private crop information in hand was too conflicting to warrant a positive stand being made each way. There was no radical change in values following the start. The market for futures closed steady, with prices net 3 points lower to 19 points higher. Spot closed cull; middling uplands 19c; da.
